# Line Painting Checklist

Name: \_\_\_\_\_ Property Management Co.: \_\_\_\_\_

Phone Number: \_\_\_\_\_

Email: \_\_\_\_\_

Address to be Painted: \_\_\_\_\_

[ ] How many parking stalls do you require? \_\_\_\_\_

[ ] How many handicap stalls will there be? \_\_\_\_\_

[ ] How many stalls require numbers or need to be identified? \_\_\_\_\_  
(Please include the exact number sequencing, text, or symbols you require)

[ ] Do any stalls have existing lettering? (Ex. Visitor or Reserved) \_\_\_\_\_

[ ] How much existing text needs to be repainted? Changed? Or removed? (Which text?) \_\_\_\_\_

[ ] Do you require the new lines to be painted white or yellow?  
White – Regulates accessible public and private parking lots and stalls, lane ways, or bordering zones and areas.  
Yellow – Regulates and controls borders, zones, or traffic flow may not stop, park or enter, and also lane ways to separate traffic flow, and sometimes parking lots. \_\_\_\_\_

[ ] Are new layouts required? (We offer layout advice for optimal design results) \_\_\_\_\_

[ ] Do the curbs need to be painted or repaired? \_\_\_\_\_

[ ] Do the lamp posts need to be repainted? Or are there any lights to be replaced? \_\_\_\_\_

[ ] Do you require new or replacement signs? \_\_\_\_\_

[ ] Do you require any sign service, repairs, or maintenance? \_\_\_\_\_
